

CC in the Cloud Technical Community (Cloud-TC) – Meeting Minutes

7:18 AM PDT 7/10/2024

Call to Order: 0801
Meeting Lead: Joshua BRICKMAN
Attendees: 21
Member Roster: 82
Next Meeting: Wednesday August 7th, 2024

Highlights:

~

Old Business:

- Review of previous meeting minutes by Garrett N.

New Business:

- Discussion on ICCC 2024
 - o Recent announcements from ICCC on the various cloud related presentations scheduled including work being done by CC in the Cloud.
 - o Josh B took a live survey of members on the call regarding the level of interest in attending ICCC in Qatar this year, and whether a Cloud-TC workshop might be of interest.
 - o 75% of members on the call indicated on the poll that they are not going to Qatar.
- Reviewed open issues list.
 - o Discussion around future guidance for labs.
 - Brandon provided an example of some issues currently being discovered with cloud evaluations, particularly tests that require modification of packets given that switching in the cloud is virtualized and operating at layer 3 vs layer 2. Some assurance activities may need to be modified to support this type of a scenario.
 - o Labs will need to consider things like special skillsets/new employees to help stand up this type of environment which may be worth mentioning in the Guidance document.
- Meeting on July 24th canceled as we await feedback from CCDB/NIAP. Meetings will resume on August 7th.
